

SPECIAL PEDIGREE SOFTWARE OFFER TO NMDC MEMBERS! PEDIGREE, DOG RECORDS, SHOW ENTRIES & MUCH MORE

The NMDC is pleased to offer its members a special discount program on The Breeder's Standard ("TBS") software, available from Man's Best Friend's Software. This program also applies to The Groomer's Helper, Compuped (Pro and Commercial versions only), The Cattery Standard, and The Equestrian Standard. This is a "win-win" for our members and for NMDC. Members receive a \$ 20 discount on each of these programs, and NMDC receives \$ 10 for each program a member orders. While the \$ 20 member discounts do not apply to special sales offered by Man's Best Friend Software, the NMDC still receives the \$ 10 per program ordered by NMDC members under this program.

You may order by visiting the Man's Best Friend Software Web site:
<http://www.mbfs.com> and typing Club # 103 in the address 2 line.

Or call 800-746-9364 and mention Club # 103.

DO NOT CONTACT NMDC TO PLACE ORDERS.

Here are some of the key features included with The Breeder's Standard program:

- User-friendly Windows interface
- Pedigrees – easy entry and many customizable formats available (including photo images of the dogs, watermarks, logos, etc.), fax capabilities, and save pedigrees in WMF, GIF, JPG, PCX, BMP, TIF format. Up to 10 generation pedigrees
- Medical Records – vet records, vaccinations, heats, medical expenses
- Puppy Tracking – temperatures, sizes, weights
- Print Bills of Sale
- Show Competition Reports – individual dog records, judges' tracking, etc. for conformation, obedience, agility, Schutzhund, and working trial events
- Show Entries – enter AKC, UKC, CKC, and Australia events and print entry forms
- Reports – print your entire pedigree database, sire and dam producer records, dogs with common dams and/or sires, matings, heat analysis, descendants' listings, handlers' fees, medical histories, litter reports, etc. There are over 100 reports
- Inbreeding coefficients – this is the only program certified to calculate the Wright Coefficient of Inbreeding
- Crystal Ball Reports – this provides "what if" pedigrees
- Support for compliance with AKC record keeping requirements – program provides all reports required for AKC inspections
- Customer management – print mailing labels of your contacts and customers
- Backup Feature – to protect your data files

There are many other features not mentioned here – visit the Man's Best Friend Software Web site for more information about The Breeder's Standard software and the other programs offered in this discount program.
